About the day

ACAMH is pleased to announce the launch of the Judy Dunn National Conference. In light of recent attention on the importance of a holistic approach to good mental health, the inaugural event will be focusing on psychological interventions for both children and their families.

Topics

- Interventions for adopted and fostered children and their families/carers
- Working with goals across therapies with children and young people
- Results and implications of an experimental trial focusing on the therapeutic alliance
- Whole school approaches to mental health
- Psychological interventions to improve child outcomes for mentally ill mothers
