About the evening

Body Dysmorphic Disorder is a common, yet typically under-recognised and challenging to treat condition. This talk gives a whistle-stop tour of what BDD is, highlighting the common issues clinicians face when assessing and treating BDD and how to overcome these. We will draw on clinical experience and the evidence-base to help increase knowledge and confidence in working with this condition.

Speakers

Dr Bruce Clark

Consultant Child and Adolescent Psychiatrist & Clinical Director for the Child and Adolescent Mental Health Clinical Academic Group and Honorary Researcher at The Institute of Psychiatry, Psychology and Neuroscience

Dr Bruce Clark

Dr Amita Jassi

Consultant Child and Adolescent Clinical Psychologist, National and Specialist OCD, BDD and Related Disorder Service for Children and Young People, South London and Maudsley NHS Trust
