

The Association  
for Child and Adolescent  
Mental Health

**ACAMH<sup>20</sup><sub>20</sub>**  
**AWARDS**

## Call for nominations

ACAMH awards aim to recognise high quality work in evidence based science, both in publication and practice, in the field of child and adolescent mental health.

As the ACAMH Awards enters its second year, the Association is pleased to announce three new categories, in addition to those from the previous year. All Awards and nomination criteria are listed on the next page.

Winners of the 2019 ACAMH Awards can be found [here](#).

The awards will be presented at an evening event at the **Foundling Museum, London on Friday 9 October 2020, 6pm-9pm**. Details will be announced closer to time.

Nominations will be evaluated by a panel of leading figures in the field along with ACAMH trustees and Editors-in-Chief of our journals ([JCPP](#) and [CAMH](#)).

You can complete nomination forms as a pdf or online [here](#). Terms and conditions are on the last page.

**DEADLINE FOR NOMINATIONS - 5pm THURSDAY 30 APRIL 2020**

## ACAMH awards 2020

### Eric Taylor 'Translational Research into Practice' Award

Nomination criteria: 1) A researcher or a research team who has published translational science (evidence base into practice) with evidence of impact on clinical service provision or 2) a clinician or clinical team that has implemented evidence base into clinical service with evidence of outcomes.

### David Cottrell 'Education of CAMH Professionals' Award

Nomination criteria: An educator who has had a significant impact upon the education or training of child and adolescent mental health professionals about topics related to child and adolescent mental health. This is open to all disciplines but training/education must relate to children's mental health.

### Kathy Sylva 'Rising Star' Award

Nomination criteria: Open to any person who has made a significant scientific contribution to the child and adolescent mental health literature, within 10 years of their first peer reviewed journal publication.

### Digital Innovation Award

Nomination criteria: 1) A researcher or a research team who has published the best paper on an Information/data/IT/digital topic relating to child and adolescent mental health or 2) a clinician or a team who has put evidence base into practice within the information/data/IT/digital fields within child and adolescent mental health. This could be use of information or technologies in the delivery of care or service design etc.

### Lionel Hersov Memorial Award

Nomination criteria: A practice team that has 1) demonstrated the use of evidence base (research, audit or service evaluation) into clinical practice and 2) evaluated the outcome or measured either the clinical impact or demonstrated quality improvement (can be efficiencies of time, money or reduced 'waste').

### Trainee of the Year Award

Nomination criteria: A trainee or student who has shown initiative or made a significant contribution to child and adolescent mental health in either 1) research or 2) evidence based clinical practice or 3) with ACAMH through publication(s) in JCPP, CAMH, The Bridge, website, development of CPD through events, e-learning, branch committee, special interest group or board membership.
