Adaptation in the UK

- UK professionals
- Schools
- Religion
- Social life
Hi, my name is Kate, I’m 11 years old. This is my dog Sonny. We are from Kharkiv, but because of the war we must move to live.

My dad is in Kyiv because he needs to protect us.

Now we are sitting in the basement because of air alarm.

We are not afraid, but we want to go back home.

We will win!
