Is the language acceptable?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Please rate the priority and publication value for publishing this article (1 being low and 10 being high).	<input type="text" value="Select..."/>		

#### Rating

Please rate the manuscript for both quality of study design/methodology and its significance for translation of the findings into CAMH clinical practice.

The Editors will consider your ratings when deciding on a manuscript, so please be candid and qualify or expand on your ratings in the Comments to Editor; only your Comments to the Author will be transmitted to the author.

#### Significance

- 4 - Major contribution
- 3 - Important contribution of international interest
- 2 - Some interest, but limited international interest
- 1 - Low interest, either nationally or internationally

---

**\* Recommendation**

- Meets Acceptable Standard for Publication
  - Requires Minor Reworking Before Publishable
  - Requires Major Reworking Before Publishable
  - Unsuited for Publication
-
