Mental Health

# Jack Tizard International Conference

## *Trauma: Evidence, Practice, and Implementation Challenges*

### Speakers

#### Chair

Prof. Andrea  
Danese

Prof. Rachel  
Hiller

Prof. Richard  
Meiser-Stedman

Assoc. Prof.  
Connor Kerns

Prof. Dr.  
Elisa Pfeiffer

Dr. Jessica  
Richardson

Dr. Stephanie  
Lewis

*How should we think about the role of stabilisation within trauma-focused work for children and young people?*

*What gets in the way of implementing evidence-based trauma interventions in real-world services?*

*How can trauma be more effectively recognised and addressed in care-experienced children and young people?*

*How might cognitive mechanisms, neurodiversity, and co-occurring needs deepen our understanding of trauma in youth?*
